Merchant J. W. Brown, who has  
just made arrangements to represent  
locally the New York Buyers of De-  
vine in the purchase of poultry and  
eggs, informs us that he has shipped  
\$500.00 worth of eggs from Hondo  
since January 1st. With his new  
connections he hopes to greatly en-  
large the volume of his shipments.  
This section is ideally suited to pou-  
ltry production and with the improved  
marketing facilities afforded by the  
New York Buyers there should be  
a large expansion in the industry  
throughout this entire territory.  
County Agent C. M. Merritt informs  
us that a party is seeking a suitable  
location here for starting a large  
chicken farm and hatchery.

The continued wet, cold weather,  
is interfering with farm operations  
and for one time in Medina  
county, the farmers would welcome  
a good long visit from Old Sol. Corn  
that was planted early, in many  
instances is reported to be coming  
to a poor stand and in many instances  
will have to be planted over. In  
some sections the first planting is re-  
ported to have been destroyed by  
ants, and an other farms the grub  
worms are reported to be destroying  
the stand.

Henry Bendele and son, Elmer,  
were up from the ranch Monday on  
business. Mr. Bendele reports corn  
and cane crops in his section about  
all planted, and says there will be  
a considerable acreage of broom-  
corn this year. His crop of straw  
last year brought him \$200.00 per  
ton.

J. W. Crow came in from North  
Texas Saturday evening sick with  
influenza. He has been progressing  
favorably towards recovery since.  
He reported very severe weather in  
that section of the state, snow cover-  
ing the ground for many days at the  
time.

P. L. Crane came out from San  
Antonio Sunday for Mrs. Crane and  
boys, who were here, the guests of  
Mrs. Crane's parents, Mr. and Mrs. R.  
H. Hudspeth. They returned to the  
city Sunday afternoon.

**Why Farmers are Turning to**

*for Economical Transportation*

In 1922 Chevrolet jumped from seventh to second  
place in sales of all cars, and to first place in sales  
of fully equipped modern cars.

Purchases by farmers were the chief factors in this  
remarkable development.

Farmers want automobiles not only of low first  
price, but also of low later cost for operation and  
maintenance.

They want room, comfort, and the ability to stand  
up under hard conditions.

They find that Chevrolet, fully equipped as sold, is  
the best value per dollar in the low-priced field, and  
neighbors tell them it costs less per mile to operate.

Mrs. Oreenith Fly entertained a number of young ladies recently for the purpose of reorganizing a class in the Methodist Sunday School. Miss Gladys Woolls was made President; Miss Evelyn Lacy, vice president; Mrs. Nettie Mae Woolls, Secretary and Treasurer; and Mrs. Nell Gilliam, Reporter. The departmental heads play a prominent part in the life and work of a Sunday School Class and Misses Marie Foster, Evelyn Lacy and Mae Routt were chosen as the recreation, devotional and study and training committees, respectively.

After the election of officers, Mrs. Fly served refreshments of angel and devil's food cake and hot chocolate. Numerous plans were made for the following year. One of the most noteworthy items was the adoption of a little seven year old orphan girl from the Methodist Orphanage at Waco, Texas. The class agreed to clothe this child, and, to make money for that purpose, home-made candy will be sold at the drug stores Saturday afternoon, March 22.

The members of the class are: Miss Meda Crow, Miss Lelia Laughinghouse, Miss Lucille Woolls, Miss Evelyn Lacy, Mrs. Nell Gilliam, Miss Emma Muenzink, Miss Gladys Woolls, Miss Marie Foster, Miss Mae Routt, Miss Jessie Blocker, Miss Fay Russell, Mrs. Florence Gilliam, Miss Bettie Schmidt, Miss Amy Buckuloo, Miss Irene Henderson, Mrs. Nettie Mae Woolls, Miss Linnie Beal, Mrs. Nell Crow and Mrs. Alfred Schweers.

**PULLS A SIX OUT OF MUD.**

Miller Motor Company, Midland, Ohio, writes us about an Overland car that pulled a well-known big six-cylindrical car, hub deep in mud, for four miles over the toughest roads in its vicinity. The owner of the big six laughed at the idea of an Overland car pulling him through this road. Imagine his consternation and amazement when he saw this car accomplish what his own could not do. "Everybody in Midland," writes Mr. Miller, "is talking about the power of the Overland."

Overland has more POWER than any other car in the same price and class. Come in and see the new model Overlands and get a demonstration of the most Automobile in the world for the money.

**OVERLAND'S TOTAL OVER 107,000.**

E. A. Douglas, traveling representative for the International Harvester Company, with headquarters at Chester, Ill., has driven his Overland roadster 107,462 miles, according to a letter received from him by the Willis-Overland factory.

"The driving has been done over all kinds of roads, good and bad," according to Mr. Douglas, "and the car is in splendid condition. I get 26 miles to the gallon of gasoline, and my maintenance cost is practically nothing."

Still talking about

### TWO FOR ONE.

As our readers will note by a re-  
ference to the advertising columns  
of the Anvil Herald this week we  
have been exceptionally fortunate in  
making arrangements with TEXAS  
COMMERCIAL NEWS whereby we  
are enabled to make the very low  
rate for a limited number of sub-  
scriptions to FLETCHER'S FARM-  
ING and TEXAS COMMERCIAL  
NEWS one year each of \$1.00 for  
either renewals or new subscribers.

We don't feel as if it is necessary  
to further introduce FARMING to  
the people of this section of the  
state, as most of you have either  
in the past or are now reading it  
every month. However, there are  
possibly some who are not acquaint-  
ed with TEXAS COMMERCIAL  
NEWS, even though it has been pub-  
lished weekly now for more than  
twelve years at Sugar Land, Texas.

It is a weekly magazine of twenty  
pages or more each issue; devoted  
to the Commercial, Farm and In-  
dustrial great Southwest. It is care-  
fully and well edited and of especial

### THE RACES.

The races last Saturday drew quite  
a crowd to town. The track was in  
good condition, the horses in fine  
fettle and some good sport was wit-  
nessed.

The first race was between Magi-  
cian and Joe Blair, Jr., two horses  
from other sections, brought here  
to meet on neutral tract. In this  
race Magician proved an easy winner  
taking the \$500 purse without much  
effort.

The second race, between two local  
horses, "Around-the-World," entered  
by J. G. Schuehle, and "Sleepy Joe",  
entered by P. R. Richter, provoked  
the keenest interest and proved the  
most interesting of the meet. The  
spectators knew these horses were  
pretty evenly matched, and each had  
about an equal number of backers.  
This race was for a distance of three  
hundred yards. "Around-the-World"  
was declared the winner by about  
eighteen inches, taking the \$600  
purse.

Two unscheduled races wound up  
the races of the day. Boll Weevil,  
entered by Fritz Senne, and "Big  
Jim", entered by Willie Leinweber  
proved an interesting contest, the  
race being a close one. "Boll Weevil"  
was declared the winner. No purse  
announced.

The last event of the meet was a  
race between "Tom Milton", entered  
by R. C. Bless, and "Long Time",  
entered by Pete Beal. "Tom Milton"  
proved the speedier and took the  
race by a good margin. No purse  
announced.

The next meet is scheduled for  
April 22, when good horses will face  
the course.

### CITATION BY PUBLICATION

THE STATE OF TEXAS,  
To the Sheriff or any Constable of  
Medina County—Greeting:

YOU ARE HEREBY COMMAND-  
ED, That you summon, by making  
Publication of this Citation in some  
newspaper published in the County of  
Medina for four weeks previous to  
the return day hereof, Harry Fitz-  
Patrick, whose residence is unknown,  
to be and appear before the Hon.  
District Court, at the next regular  
term thereof, to be holden in the  
County of Medina, at the Court  
House thereof, in Hondo, Texas, on  
the 21st day of April, A. D. 1924,  
then and there to answer a Petition  
filed in said Court, on the 13th day  
of March A. D. 1924, in a suit num-  
bered on the docket of said Court  
No. 2021, wherein Laura FitzPatrick  
is plaintiff and Harry FitzPatrick  
is defendant. The nature of the  
plaintiff's demand being as follows,  
to-wit: that plaintiff is and has been,  
for a period of twelve months prior  
to exhibiting the petition, an actual  
bona fide inhabitant of the State of  
Texas, and has resided in Medina  
County for at least six months next  
preceding the filing of this suit; that  
on or about June 17th, 1919, in San  
Antonio, Texas, the plaintiff, who was  
then a single woman by the name of  
Laura Bilhartz, married said defend-  
ant; that they continued to live  
together as husband and wife until  
on or about December 29, 1920,  
when the defendant deserted plaintiff  
and their baby boy at their home  
in Ranger, Texas, with the fixed  
intention then and there on the part  
of said defendant to desert and per-  
manently abandon plaintiff and her  
child, and that he did so desert and  
permanently abandon plaintiff at said  
time and place, since which time she  
has never seen nor heard from him;  
that since defendant deserted her,  
she has made diligent efforts to  
locate him but that she has been  
unable to do so, and his residence  
is unknown. Plaintiff alleges that  
during the time she and defendant  
lived together as husband and wife  
she at all times was faithful and  
true to her marital vows and obliga-  
tions, and that she was always kind  
and affectionate towards him, and  
that his desertion of her was without  
cause or provocation. Plaintiff fur-  
ther alleges that she had one child  
by defendant, to-wit: a boy, named  
Jack FitzPatrick, age about three  
years nine months, and since defend-  
ant deserted her, said child has been  
in the care and custody of, and  
supported by plaintiff and her par-  
ents; that said marriage relations  
still exist, but that defendant's ac-  
tions and conduct in deserting  
plaintiff and baby, wholly without  
cause are of such a nature as to  
render their further living together  
as husband and wife insupportable,  
the premises considered; wherefore  
plaintiff prays the Court that de-  
fendant be cited by publication to  
appear and answer herein, and  
for judgment dissolving said mar-  
riage relations, for the absolute  
care, custody and control of the  
child, for costs of suit, and for such  
other relief, in law and in equity,  
that she may be justly entitled to.

HEREIN FAIL NOT, And have  
you before said Court, on the said  
first day of the next term thereof,  
this Writ, with your endorsement  
thereon, showing how you have ex-  
ecuted the same.

Given under my hand and seal of  
said Court, at office in Hondo this,  
the 13th day of March A. D. 1924.  
Issued same day.

### ELIAS PENNINGTON.

The subject of this sketch died at his home in Hondo Sunday night, March 16th, and was buried in the Hondo cemetery Monday afternoon, March 17, 1924. Rev. W. C. Brown, pastor of the local Baptist church, conducted the funeral, and to him we are indebted for the following sketch:

In the death of Elias Pennington, Hondo has lost a good man and worthy citizen. He was born near Bunker Hill, Ill., July 7, 1841 and died in Hondo March 17th, 1924.

Mr. Pennington moved to Texas and settled several miles northeast of Hondo in 1877 and has been known and highly respected by many of our oldest citizens all these years.

Before coming to Texas, he married Miss Milvera Jones of Bunker Hill, Ill., with whom he lived more than fifty years. There were seven children born unto them, only one of whom is now living, Mrs. Thad Gilliam, who lives near Hondo.

Bro. Pennington became a Christian in early life and united with the Baptist Church near his childhood home in Illinois. He has all these years lived above reproach as an upright Christian gentleman, always standing for what he believed to be right and as firmly opposed to what he believed to be wrong. It has not always been his privilege to attend the house of God, especially after coming to Texas as he lived on a ranch far away from a church, but he never forgot his Lord nor ceased to follow Him.

In more recent years, notwithstanding old age and disease have weighed heavily upon him, his faithfulness in attending the house of God has often been the subject of remark by those who observed him. It could truly be said of him, in the language of the Psalmist, "I was glad when they said unto me, Let us go into the house of the Lord." Though it was difficult for him to hear yet he loved to attend his Sunday School Class and catch what he could of the instructions given. This was also true of the preaching service. He would take his seat near and in front of the pastor and after the services were over would often express his appreciation of what he could hear of the sermon. His loyalty and faithfulness to the services of his church stand as a rebuke to many church members who are far more favorably situated.

Bro. Pennington was a good husband and father, and provided well for his family, a faithful friend, and a loyal patriotic citizen. In his death, he leaves to mourn his going, not only his widow and daughter, but also a brother, Weston Pennington of Bunker Hill, Ill., four grand children, William J., Charles C., Tubin, and Miss Bessie Gilliam, a nephew and niece, Rev. L. Guy Ament, Bryan, Texas and Mrs. Russell Smith, of St. Louis, Mo. "And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them."

W. C. BROWN.

### Cramping Spells

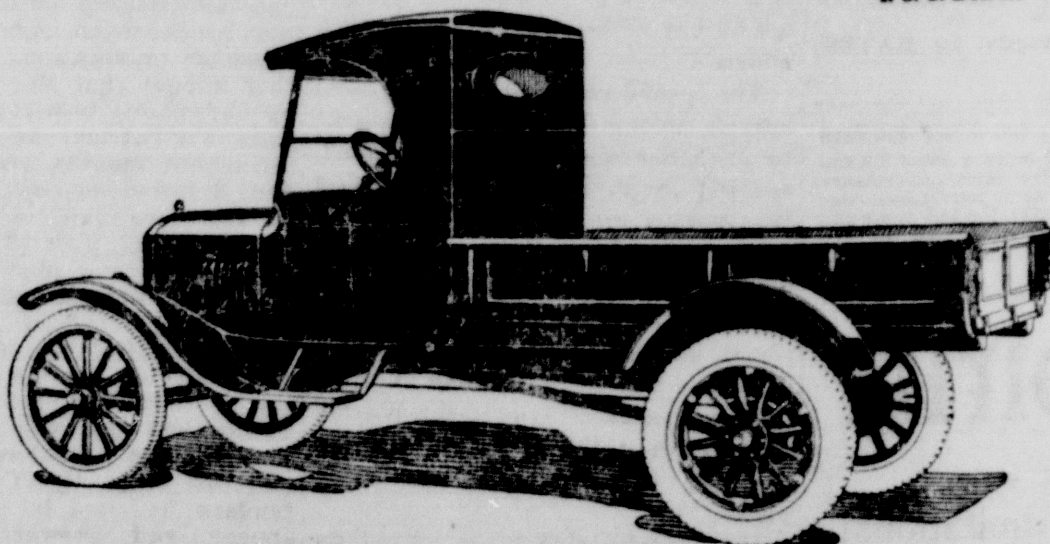

"FOR MORE THAN A YEAR I had been in a very bad condition," says Mrs. R. E. Kimbrell, of Route 1, Dorchester, Texas. "I suffered with cramping spells which gave me bad pains in my back and sides. Sometimes I would have to catch at something, I would get so suddenly dizzy. ... I had to quit doing my work. I tried many remedies, but none of them seemed to do me any good."

"In April I went up to Arkansas to visit my sister. ... She said to me, 'Willie, if you are going to take anything, take Cardui. It will really help you.' I came home and told my doctor what she had said and he said I could not take any better tonic, so my husband immediately got me a bottle and I began it. ... My case was a pretty tough one, I know, so I kept on faithfully. After the fourth bottle, I began to feel very much better, so much so that I was surprised at myself. I have taken six bottles now and I can truly say I feel like a different woman. ... I feel fine and I owe it all to Cardui, which I took faithfully."

### CHAMBER OF COMMERCE.

The Directors of the Hondo Chamber of Commerce held a conference at the hall Monday afternoon. Informal discussions of various matters pertaining to the good of the town were the order of the occasion. It was developed that less than fifty members had paid up their 1924 dues, and a committee composed of H. F. King, Felix Batot and L. J. Brucks was authorized to solicit members.

Everything suggested for improvement calls for an outlay of money and the activities are seriously handicapped for lack of funds.

The Commissioners' Court was petitioned to place traffic markers in the center of the street crossings at the Hondo Mercantile, Huesser, Holloway and Bless corners for the safety of traffic.

A committee was appointed to confer with Mr. I. H. King with a view to securing a site for a tourists' camping yard in a grove north of town.

### WILL THERE BE A FAIR?

The Directors of the Medina County Fair Association have turned over their charter, good-will, etc. to the Hondo Race Association, and gone out of business. The Race Association has leased the grounds formerly used for the Fair races, and it is presumed will amend the charter so that they can conduct both races and fairs under its auspices.

So if you want or expect a Fair in Hondo this year, take the matter up with the Directors of the Hondo Race Association.

# \*\*\*\*\* **WITH THE DRILLERS.** \*\*\*\*\* **FRIO AND MEDINA OIL TESTS ARE MORE ACTIVE.**

Several oil well projects are being worked out in the southeastern corner of Medina County and adjoining sections of Frio. Amy Oil Company has spudded in south of Devine and close to the International-Great Northern tracks and Witherspoon Oil Company is rigging up to spud in on the Neb Flores tract, three and a half miles east of Devine. There are two other deals in the Devine territory being gotten into shape and acreage is being assembled for them. One will be three miles southeast of Devine and the other about a mile and a half northwest.

Subtle, west of Anchorage, is reported as bailing at 2,990 with some showing of oil. The work on the well lately has been to shut out some water. The water was cased off and the well bailed to test whether or not there were any leaks. No water came in and the well was drilled in.

Two more tests are reported under way in Frio County around Pearsall where some tests were started a couple of years ago. A new derrick is reported to have been built on the Keystone ranch where a test was started. The location is about six miles north of Pearsall and about one and a half miles east of the International-Great Northern tracks. Reports, unconfirmed, are that another test is to be made near where the T. N. T. test was drilled about six miles east and a little north of Pearsall. It is understood also that a test may be put down on the W. M. Fain farm near Pearsall, later on in the year.—Wednesday's Express.

The latest report from the Jungman oil well, on survey 33, near Chicon lake, is that the drill is still going down at a depth of 1640 feet. This well is only about 1000 feet from the first Jungman well, the original Medina County producer. This well, at a depth of only 1040 feet is pumping about four barrels per day. This oil is being used to fire the boiler for drilling the new well. Fritz Fuchs is the driller on the new well.

The O'Bryant well is in oil producing sand at 934 feet. Considerable oil has been baled out, and a bottle of this product is on exhibition at the Anvil Herald office, having been brought up from the well yesterday by V. P. King. This well is located on the J. P. Nixon ranch about a mile west of the Ina well. It is believed that the well will prove a profitable producer.

## **SOME OLD DOCUMENTS.**

Chas. Graff was a visitor to the Anvil Herald office Thursday morning and while here showed some old documents that indicate his father, the late Louis Graff was a very methodical man, filing carefully away all papers that might have a value.

The first of these was a tax receipt issued in 1857. Mr. Graff at that time was a citizen of Bexar County, and had not accumulated much of the world's goods, and the tax receipt shows taxes had not mounted to their present elevation. The receipt was issued in 1857, and was in payment of Mr. Graff's taxes for the year 1856. One lot in San Antonio, forty-five head of cattle, three yoke of oxen, two horses, one wagon and his poll tax being covered by the tax receipt, the total amount being \$2.64, I. M. Rodriguez being the assessor and collector of taxes.

The second document left by Mr. Graff was issued in 1862, during the Civil war. Cotton in those days as now, was a commodity that was closely guarded and one would judge from the document that a person had to have a license, renewed every thirty days, to haul it. The document, dated Medina, April 12th, 1862, reads as follows:

"Medina, April 12th, 1862.  
 'I hereby certify that Louis Graff, the bearer of this presents, has permission to haul cotton to Eagle Pass for thirty days and the civil and military authorities are requested to let him pass unmolested.

C. Krisen,  
 Capt. of Com. 13, 30th Brigade.  
 By Rudolph Koenig,  
 2nd Lieutenant."

In those days, as in the present, men were somewhat careless in signing important documents, and the above is as near as it is possible to decipher the signatures.

The third document indicates Mr. Graff's sympathies were with the Lost Cause, and that he, like thousands of others, lost their citizenship through the failure of the Southern Confederacy. This document was issued in San Antonio on the 29th day of September, 1865, under authority of an amnesty proclamation of the president of the United States, and reads as follows:

"United States of America  
 The State of Texas.)  
 County of Bexar. )

This is to certify that Louis Graff, a citizen of Bexar County has taken the oath of amnesty as prescribed in the Amnesty Proclamation of the President of the United States, and that he has been placed on the Register of the County of Bexar as a voter.

In testimony whereof I have hereunto set my seal and annexed the County of Bexar, at San Antonio, this the 29th day of September, A. D. 1865.

A. Seimering,  
 Chief Justice, Bexar County,  
 Attested:  
 Peyton Smytha,  
 County Clerk, B. C."

Mr. Chas. Graff highly values these old documents and says he has many more, some ante-dating these by several years, many of them relative to personal business matters of his father, thereby constituting what might be regarded as his memoirs. It is probable some of these may find publicity in a later issue of the Anvil Herald.

## **LADIES' FORTY-TWO CLUB.**

The hostesses for Thursday afternoon, when the members of the Ladies' Forty-two Club was delightfully entertained, were Mrs. F. S. Cockrell, Mrs. Fletcher Davis and Mrs. Alfred Finger.

A pleasing color scheme of purple, white and green was carried out. The centre pieces were bowls of purple and white violets nestling among their green leaves; the favors were corsage bouquets of the same popular flower; and the white tally cards, inscribed with green with the names of the hostesses, also carried out the chosen colors by their violet design. Green and white ice-cream topped with whipped cream on which rested a green cherry and a purple violet, and angel-food cake iced in green carried the color scheme through the refreshment course.

The club members were pleased to have with them "Hondo's own" talented pianist, Mrs. Nell Wilson Gilliam, and Mrs. Emabel Rogers Fulton.

High score was won by Mrs. W. H. Smith and low fell to Mrs. R. W. Speece.

The guests and hostesses were: Mesdames Sadie Hutzler, L. E. Heath, R. J. Noonan, W. H. Smith, F. H. Schweers, Chas. Finger, Felix Batot, Earl Boon, Earl Starnes, R. W. Speece, Oscar Schuehle, Geo. Heyen and Roy Stone.

The hostesses for the next club meeting will be Mrs. Sadie Hutzler, Mrs. L. E. Heath and Mrs. Charles Finger.
